

Prayer for Spiritual Renewal

Dear Lord, Heavenly Father, I place my inadequacies at Your feet. Help me to have an open mind and an open heart so I may truly feel Your presence in my life and Your guiding hand during this season of Lent. Help me to remember that You, better than I, understand and know my struggles and what I need. Help me to remember that without You, I can do nothing.

Send Your Spirit to guide me and show me the way, to remind me to call out to You to give me strength and to be faithful so that I may be eager to do Your will.

Fill my heart with Your grace and guide me with Your mercy. Help me to emerge from this Lenten season renewed and filled with Hope.

This I pray...

Amen
